About Us

About Us

At Kidspace Community Hub, we provide a vibrant and enriching space for homeschoolers to engage in meaningful play, build essential life skills, and form lasting friendships.

Our drop-off care service is designed to support homeschooling families by fostering social connections and community engagement in a safe and nurturing environment.

Kidspace is a purposefully different community hub with an experienced educational team dedicated to providing children with community centred opportunities for recreation, leisure & holistic learning.

Kidspace community hub provides education through real world experiences.

OUR CORE VALUES

Community

We are committed to facilitating an inclusive community hub where children and families experience a strong sense of belonging, connection & support.

Connection

We are committed to fostering connection through social opportunities, community engagement and environmental care.

Experiential Learning

We continuously strive to provide experiential opportunities that stimulate, challenge and engage children in life skills and holistic learning.

"Play is our brain's favourite way of learning."

Diane Ackerman

Our Kidspace Vision

At Kidspace we aim to create a vibrant, inclusive community hub where children and families experience a strong sense of belonging, connection, and support.

Through enriching play experiences, meaningful social opportunities, and purposeful community engagement, we inspire children to develop life skills, nurture holistic wellbeing, and thrive in an environment that values inclusion, creativity, and collaboration.

We empower children to embrace their individuality, cultivate empathy, and engage in a community that champions diversity, creativity, and shared growth.

Our Mission

At Kidspace, our mission is to provide a nurturing, connected space that fosters holistic wellbeing of children and their families to feel valued & supported.

We offer high-quality before and after school care, and a dynamic homeschooler's hub that provides opportunities for play, socialisation, and meaningful engagement with the wider community.

We are dedicated to providing a community hub that meets the unique needs of children and families to build meaningful connections that support resilience, confidence, and a shared sense of wellbeing.

Our Philosophy

At Kidspace Club, we are inspired by the principles of connection, belonging, and holistic wellbeing. Our philosophy is centred on creating a safe, inclusive, and nurturing environment that reflects the spirit of family and community.

A sense of home: Our programs and spaces replicate the comfort, trust and connection found in family grouping, ensuring every child and family feels welcomed and valued.

Belonging through relationships: Our programs and spaces replicate the comfort, trust and connection found in family grouping, ensuring every child and family feels welcomed and valued.

Holistic wellbeing: We prioritise the physical, emotional, social, and mental health of every child, encouraging growth through play, leisure and engaging experiences.

Life skills for the future: Our programs support the development of resilience, collaboration, independence and empathy, equipping children with the tools they need for lifelong success.

4. Community connections: By building partnerships with local organisations, we provide enriching opportunities for children and families to engage with the broader community, fostering a sense of contribution and shared responsibility.

5. Celebrating Diversity: We embrace the voices of children, families and staff, working together to continually evolve and strengthen our service to meet the needs of our community.

6. Collaboration and growth: We value feedback and ideas from children, families, and staff to continually improve and evolve our service to meet the needs of our community.

This philosophy underpins our commitment to providing a connected and dynamic space where children and families feel at home, fostering growth, joy and deep sense of belonging.

A Community Hub Where Homeschoolers Connect, Belong, and Thrive

Designed for Connection & Growth

At Kidspace Community Hub, we provide a vibrant and enriching space for homeschoolers to engage in meaningful play, build essential life skills, and form lasting friendships. Our care service is designed to support homeschooling families by fostering social connections and community engagement in a safe and nurturing environment.

***A Community Hub
Where Homeschoolers
Connect, Belong, and Thrive***

We understand the unique needs of homeschooling families, and our hub is more than just a drop-off service.

It's a place where children thrive through:

- Friendship & Connection - Engaging group activities that foster social bonds.
- Exploration & Creativity - Encouraging curiosity through experiential learning.
- Holistic Growth - Providing a supportive space that nurtures independence and confidence.

Our program offers a wide range of experiences, from nature adventures to creative arts and interactive workshops. We aim to replicate the warmth and connection of family groupings while fostering personal development.

Why Choose Kidspace?

- **Holistic Wellbeing Focus:** We nurture physical, emotional, and social development.
- **Inclusive Environment:** Welcoming all families, celebrating diversity, and creating a sense of belonging.
- **Community Connections:** Partnerships with local organisations provide enriching opportunities for children and families to engage with the wider community.
- **Approved Service Provider:** Kidspace community hub is a registered service provider with the Queensland Department of Education.
- **CCS Support:** Eligible families can access the Child Care Subsidy to make our services more accessible.

Our Experiences

At Kidspace Club, our hands-on learning experiences are designed to connect children with their peers, their environment and their community.

Some of our experiential learning includes:

- **Nature-Based Adventures** – Excursions to parks, reserves, and natural spaces along the Sunshine Coast.
- **Creative Arts & Performance** – Opportunities for visual arts, music, dance, and drama.
- **Mind-Body Connection Workshops** – Social-emotional learning through movement and mindfulness.
- **Interactive Science & STEM** – Engaging activities that inspire innovation and curiosity.
- **Collaborative Games & Play** – Sports, group challenges, and meaningful social play.
- **Community Visits** – Excursions to museums, libraries, and cultural spaces.

Every experience is designed to inspire curiosity, encourage collaboration, and promote growth.
